Subscription Advantage Pack for AutoCAD® 2011 Products

Customers entitled to the Subscription Advantage Pack for AutoCAD Architecture also have access to the Subscription Advantage Pack for AutoCAD 2011 Products. This additional Subscription Advantage Pack includes:

- **AutoCAD WS Plug-in for AutoCAD software***
  AutoCAD® WS is an easy-to-use web and mobile companion application for AutoCAD® software. The AutoCAD® WS plug-in allows you to upload and work with DWG files in your online workspace directly from your AutoCAD® software. View, edit, and share your DWG files seamlessly on web browsers or mobile devices.

- **DWG Conversion Tool**
  Streamlining collaboration, the DWG conversion tool enables you to convert DWG files to any of the following DWG versions: Release 14, 2000, 2004, 2007, and 2010. Convert files in batches to easily share newer drawings with colleagues using previous versions of the software, or quickly bring older file libraries up to date.

- **IGES Import/Export**
  IGES drawing file (.igs) import and export capabilities are now available to AutoCAD software users. For anyone working in 3D, IGES is a common format for sharing files with clients, colleagues, and partners.

* The AutoCAD WS plug-in for AutoCAD software is available to all AutoCAD customers and is not exclusive to AutoCAD subscribers.
