

## NO NEW RELEASE NOTES FOR THIS SERVICE PACK

Note that there are no release notes for version 2008 SP6, as this is only a bug fix release.

- For the latest technical information, refer to the 2008 SP5 release notes, available in the Autodesk Documentation Library.
- For the list of defects fixed in this service pack, refer to the Autodesk Effects and Editing 2008 Fixed and Known Bugs list, available in the Autodesk Documentation Library.
