Autodesk®

Subscription Advantage Packs

Subscription Advantage Packs provide early access to new product enhancements.
They give you the very latest in Autodesk software technology.

Contract Managers and Software Coordinators, as well as Users who have been
granted access to Product Extensions, can download Subscription Advantage Packs,
as well as other product enhancements.

Brian Andresen, Autodesk Subscription Customer

One-Time DVD/CD Shipment
You can request that we ship your current upgrade DVD/CD if you prefer not to download.

Request a DVD/CD on the Software Download page by selecting "Request a DVD/CD." If you manage multiple contracts, select the contract for which you are a Software Coordinator.

Note: If you have received a Shipping Confirmation Notice via email, a DVD/CD has already shipped and you do not need to request one here.

Delivery Preference for Future Upgrades
Software Coordinators can choose to have upgrades delivered via DVD/CD or as Software Download.

Note: Delivery options are limited in some countries. Changing this setting does not affect upgrades that have already been delivered or are currently being delivered.

Before Installing Your Software
Before you can install your software, you will need your Product Key and Serial Number. If you can't locate these items, contact your Software Coordinator or Contract Manager.

Autodesk MatchMover 2012

Release Date: 2011-04-08

Considered a critical production tool at leading visual effects facilities, Autodesk® MatchMover™ software delivers high-quality 3D camera tracking. Using this toolset, artists, visualization specialists, architects and designers can extract accurate 3D camera and motion data from video and film sequences in order to insert computer graphics (CG) elements into a scene. MatchMover provides automatic tracking capabilities combined with the precision manual controls that professional artists and design visualization specialists demand.
